## SERIES SPECIFICATIONS

Double Rocker Decorator Switch 15A 120/277V  
Combination devices allow for multiple controls in a single gang box to maximize space & efficiency  
Terminal screws backed out and ready for installation  
All devices have grounding terminals

## CONSTRUCTION

Color  
Light Almond

Grade  
Residential

Device Type  
Switch x 2

Strap Material  
Galvanized Steel

Wires  
N/A

NEMA Configuration  
N/A

Operation Temperature  
From -40°C (without impact)  
to 75°C Maximum continuous

Environmental Rating  
Flammability UL94, V2 Rating

## ELECTRICAL SPECIFICATIONS

Amperage  
15 Ampere

Voltage  
120/277 V AC

Poles  
Single Pole-Switch

Termination 1  
Side Wired, #12 AWG - #14  
AWG Cu Solid or Stranded  
wire

Termination 2  
N/A

Grounding Capable  
Grounding

Wires  
N/A
