SERIES SPECIFICATIONS

CAT 6 U/UTP 550MHz Plenum Rated CMP Cable, 1000 FT Pull Box
 RPP Data Cable meets all TIA/EIA standards
 Solid copper conductors and differential twisted pairs help to reduce crosstalk
 Available in a variety of colors to easily color-code your network installation
 Suitable for up to 550MHz high speed data applications
 Plenum cable has a fire-retardant jacket to withstand higher temperatures and reduce smoke emissions

CONSTRUCTION

Color White	Data Rate 550MHz	Temperature Rating N/A
Conductor Material Copper	Shield Coverage N/A	Shield Material Unshielded
Jacket Flame Rate CMP	Jacket Type LSFRPVC	

ELECTRICAL SPECIFICATIONS

AWG 23	Conductors 8	Jacket Nom. Diameter N/A
Jacket Nom. Thickness	Wire Construction Unshielded Twisted Pair (UTP)	Conductor Construction N/A
Resistance N/A
